GENERAL: The Terms & Conditions herein established by Vaughan Co., Inc. ("us", "we", "our") as may be amended by us from time to time ("Terms and Conditions") apply to all dealings with our potential and actual customers ("you" and "your"), whether made by you or us, for any solicitation, submission, inquiry, offer, request or arrangement (a "Communication") or sale by us with respect to goods we sell ("Product(s)").

SCOPE OF SUPPLY: Scope of supply will be limited to accepted quotation.

ACCEPTANCE: No Communication is binding on us unless we actually receive it and we agree, either in writing or by delivery of Product(s) identified in such Communication, to accept it as an order for Product(s) (an "Accepted Order"). Any sample provided by us is not part of an Accepted Order.

NO CANCELLATION: Accepted Orders cannot be cancelled or modified, in whole or in part, without our prior written consent, which consent may be withheld or subject to conditions and reasonable charges we may impose.

PRICE INCREASE: Price of Product(s) is subject to increase if equipment is not shipped within twelve months from the date of the purchase order.

TAXES: All prices are subject to all applicable sales and use taxes and any other taxes now or hereafter imposed and/or levied by any governmental authority with respect to the sale of the Product(s) ("Applicable Taxes"). Unless we agree to an express provision to the contrary, Applicable Taxes will be added to the price you pay. Our failure to charge or collect Applicable Taxes when due shall not relieve you of your obligation for its payment. Regardless of any other payment terms agreed to, Applicable Taxes are due net 30 days from the invoice date.

PAYMENT TERMS: Terms of sale will be shown on each invoice, and it is agreed that invoices will be paid in full when due. If payment in full on any invoice is not received when due, or if your credit worthiness is deemed unsatisfactory by us at any time, we may, without incurring any liability, one or more of the following actions: (a) impose a service charge at the rate that is the lesser of (i) 1.5% per month or (ii) the maximum rate allowed by applicable law, on any amount past due commencing from the date of such invoice, (b) modify or accelerate payments terms, (c) withhold delivery of Product(s) under any Accepted Order not yet shipped and/or delay, recall or reclaim shipments of Product(s) en route to you or delivered until arrangements satisfactory to us are made to secure payment for any outstanding invoice and for all open Accepted Orders and/or (d) file a lien for any unpaid labor or material.

DATES OF DELIVERY: Delivery dates are approximate and subject to change based upon Product(s) availability, production schedules, and other prevailing conditions. Shipment date is contingent upon the receipt of approved submittals. You must accept delivery after approval of submittals and production time or issue us a change to the Accepted Order that must be accepted by us in writing.

LONG TERM STORAGE: We will hold Product(s) in long term storage contingent upon payment of full purchase order price less retainage. Long term storage duration, fees, and any other considerations will be evaluated on a case by case basis.

YOUR ACCEPTANCE OF PRODUCT(S): You are responsible to promptly inspect Product(s) delivered and notify us within five (5) calendar days following receipt of the Product(s) for which a claim is filed, of any shortages or non-conformance of the Product(s) with the Accepted Order.

RETURNS: Product(s) may not be returned for any reason without authorization by us. Please refer to the "Returned Goods Authorization Policy" for further information on returns.

WARRANTY: Vaughan Co., Inc. warrants to the original purchaser/end user all pumps and pump parts manufactured by Vaughan Co. to be free from defects in workmanship or material for a period of one (1) year from date of startup or eighteen (18) months from the date of shipment from Vaughan Co., whichever occurs sooner.
